

Are your Worker's Comp rates chomping away at your bottom line?

Did you know...

- ⇒ Montana's work comp rates are among the nation's highest?
- ⇒ Montana's injury rates are among the highest in the nation?
- ⇒ You could save up to 40% on Worker's Comp costs by embracing safety?

Then you don't want to miss this Free Employer Workshop!!

Tuesday, February 5th, 1-3pm in Stevensville

Wednesday, February 6th 8:30-10:30 in Hamilton.

Fred Miller, a Safety Specialist with the Montana Safety Bureau, will be in Hamilton/Stevensville for an employer workshop. Fred will address the safety issues Montana employers are currently facing and assist employers with creating their own safety plan.
